INDEX

Entries have been made under author, title, and subject. In cases in which the title and subject heading coincide entry has been made under only one of them. Extracts from overseas periodicals have not been indexed, nor has entry been made under each name in lists of libraries, officers, or members of committees. The following abbreviations have been used: Ctte.—Committee; L—Library, libraries; P.L.—Public or Municipal Library; U.C.L.—University College Library.
